

QUEENSTOWN

We Need Your Help

Coastguard Queenstown is a volunteer organisation dedicated to providing a full time search and rescue unit on Lake Wakatipu and the surrounding waterways.

In order to guarantee the future of the Unit, we need to raise funds every year for maintenance, expansion, training and the ongoing development of our team.

There are many ways you can help us. The information overleaf is designed to give you an overview of our membership plan and corporate sponsorship arrangements.

Corporate Sponsorship

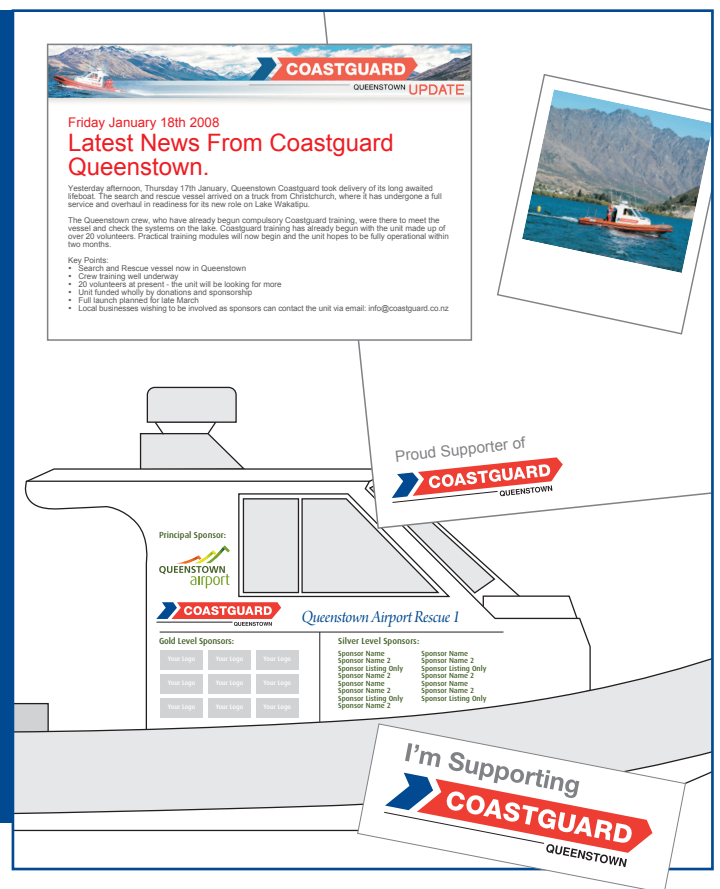

In order to maintain a future for the Queenstown Unit, it is important for us to have strong relationships with the local business community. Corporate sponsorship agreements offer a mutually beneficial solution which relies on good will, solid marketing strategies and strong community-driven practices. We have developed a simple two-tier plan for sponsorship of the Unit which allows businesses of all sizes to become active supporters and gain positive exposure through association with this new and fast-moving community initiative.

Gold Sponsor \$5,000 per year

- Logo on vessel, control vehicle and honours board at Unit headquarters
- Logo on Coastguard Queenstown letterhead
- Gold level sponsor name recognition on website
- Link to your website
- 10 supporting membership packs for immediate employees
- Coastguard supporter plaque
- Annual corporate day on the water

Silver Sponsor \$1000 per year

- Company name listed on boat
- Name on letterhead
- Silver sponsor name recognition on website plus link
- 5 supporting membership packs for immediate employees

Every crew member aboard our Rescue Vessels and on our Air Patrols is a volunteer. A well trained seaman or pilot with professional qualifications, but always a volunteer. Without these 2500 volunteers around the country, New Zealand would have no Coastguard service.

These people provide around 240,000 hours of their time every year to make sure that our local boaters can enjoy the magnificent waterways that we have, secure in the knowledge that should anything go wrong Coastguard will be there to help.

New Zealand's first Coastguard Unit. Sumner Lifeboat 1890.
